

2012 DOE Sustainability Awards

PSO	Site	Title
EE	National Renewable Energy Laboratory	Comprehensive Energy Management
EM	Headquarters - EM	Environmental Management's Sustainability Hero
EM	Savannah River Site	SRS – An Innovative Approach for In-Situ Detection of Mercury in Soils and Sediments
EM	Savannah River Site	SRS Biomass Steam and Co-generation Project
EM	Savannah River Site	SRS Moving Beyond Pump and Treat for cVOC Remediation
FE	National Energy Technology Laboratory	Exceptional Service/Sustainability Champion
FE	National Energy Technology Laboratory	Successful Implementation of NETL's Environmental Management System
FE	National Energy Technology Laboratory	Water Resources
LM	Legacy Management	Not Just Your Average EMS
NA	Los Alamos National Laboratory	Ronnie Garcia – Master of Minimization
NA	Pantex Plant	Implementing Sustainability at the Pantex Firing Range
NA	Sandia National Laboratory/NM	Server Virtualization at SNL/NM – Life Cycle Improvement
NA	Y-12 National Security Complex	Reaching Beyond – Y-12 Sustainability Outreach
NA	Y-12 National Security Complex	Y-12 Targeted Excess Materials (TEM) Program Pursues Sustainable Disposition Paths
SC	Argonne National Laboratory	Argonne Conducts Sustainability Workshop for Middle School Teachers
SC	Oak Ridge National Laboratory	ORNL Water Resource Management Minimizes Quantity and Maximizes Quality
SC	Oak Ridge National Laboratory	Palko Champions ORNL's Sustainable Energy and Water Efforts
SC	Pacific Northwest National Laboratory	Putting Words into Action
SC	Princeton Plasma Physics Laboratory	Comprehensive Greenhouse Gas Reduction
SC	Thomas Jefferson National Accelerator Facility	Green Electronic Procurement Implementation and Tracking
