Poster Guidelines

Poster Preparation

Please use the formatted template located at www.dep.anl.gov/postdocs/symposium to prepare your poster.

- Text above and below the lines are to be uniform
- Body of poster is “free form” author’s choice
- PowerPoint file 48 in x 36 in Portrait format (preferred, although landscape is acceptable)
- Institutional logo, title, authors, affiliations, acknowledgements, and publications have designated places
 - Institutional logo placed on upper left corner. If more than one institution listed, a second logo can be placed on the upper right corner.
 - Title (Arial 96 Bold Italics-above top line)
 - Authors and affiliations (Arial 48 Bold-above top line)
 - Acknowledgements (if required) (Arial 32 bold-below bottom line)
 - One recent, relevant publication (Arial 36 bold Italics-above bottom line)
- Your poster should reflect each of the following areas:
 - (1) Motivation/Major accomplishments
 - (2) Results
 - (3) Impact
 - (4) Future Directions

One Minute-One Slide Flash Talk:

You may submit a one-slide PowerPoint presentation to advertise your poster during a pre-poster session “Flash Talk Presentation Session. **Please submit your slide to postdoc-symposium@anl.gov No Later than September 17, 2012.**
