

NC STATE UNIVERSITY

FACULTY POSITIONS

Department of Electrical & Computer Engineering

The Department of Electrical and Computer Engineering (ECE) at North Carolina State University seeks outstanding candidates for faculty openings. Applicants for both junior and senior faculty positions will be considered. All areas of Electrical and Computer Engineering are of interest, with particular emphasis on renewable energy systems and other areas that build on existing strengths of the department. Candidates must possess a Ph.D. or equivalent in electrical or computer engineering or a related discipline at the time of appointment, and must have demonstrated the potential to build a strong research program and an excellent teaching record.

The ECE Department has 54 tenured/tenure-track faculty members, over 900 undergraduate students, and over 550 graduate students. It offers BS, MS, and Ph.D. degrees in Electrical Engineering (EE) and Computer Engineering (CPE), and an MS degree in Computer Networking. The department is located in state-of-the-art facilities on NC State's new Centennial Campus.

The University is located in the technology-rich Research Triangle metropolitan area, and ECE faculty members collaborate frequently with local industry. The Research Triangle area is routinely recognized in nationwide surveys as one of the best places to live in the U.S. We enjoy outstanding public schools, affordable housing, and great weather, all in the proximity of the mountains and the seashore.

Applications will be reviewed as they are received. Applicants will receive consideration starting February 15, 2010. Applicants should submit the following online at <http://jobs.ncsu.edu> (reference position number 1506): cover letter, curriculum vitae, research statement, teaching statement, and names and complete contact information of four references, including email addresses and phone numbers. Candidates can obtain information about the department and its research programs, as well as more detail about the positions advertised at <http://www.ece.ncsu.edu>. Inquiries may be sent via email to: ecefacultyhire@ncsu.edu.

N.C. State University is an equal opportunity and affirmative action employer: all qualified applicants will receive consideration for employment without regard to race, color, national origin, religion, sex, sexual orientation, age, or disability. Women and members of other underrepresented groups are especially encouraged to apply. Individuals with disabilities desiring accommodation in the application process should contact the Department of Electrical and Computer Engineering at (919)515-2336.
